

Weather afloat

This one day course is aimed at small and large boat sailors and motor boaters who wish to understand more about how the weather works, where to gather information and how to interpret and practically apply it. No prior knowledge is required.

The course is taught by Simon Rowell, a winning skipper in the Clipper 2002 Round the World Race. Simon is an RYA Ocean Yachtmaster Instructor and Examiner and professional meteorologist qualifying with a Masters Degree at the University of Reading, finishing with a distinction after investigating how hurricanes start in the North Atlantic.

When: Saturday 23rd March 2013 0900 – 1700

Cost: £100 including lunch, a 100pg Weather Manual in PDF format and attendance certification.
15% RYA Instructor discount available.

Where: SeaRegs Training, Plymouth Marine Centre,
Pomphlett Quay, Billacombe Road PLYMOUTH. PL9 7HP
