## News

### Olympians sail Barney Rubble

During the Easter break, Barney Rubble was put through her paces by Double Olympic Gold medallist Iain Percy, his crew Andrew 'Bart' Simpson and 2 lucky Clarks competition winners. Despite the gentle breeze a good time was had by all.

### RYA Honda Youth RIB Champs

On Saturday 5th May 'Team SeaRegs' competed in the RYA Honda Youth RIB Championship South West Regional Final. The championship course is designed to test the skill of the young drivers as they negotiate the tricky course against the clock. Team SeaRegs drove the RIBs fantastically on the

day and came away as top team scooping 3 out of the 6 medals across the 2 age categories. We're delighted with how well the team

performed and as this was our 1st attempt at the Championship we're already looking forward to next year.

### RYA Active Marinas

We've enjoyed being involved with training berth holders at Queen Anne's Battery and Sutton Harbour as part of the RYA Active Marina project this year. For QAB we ran a MOB and boathandling day and helped produce a video promoting the RYA project. Whilst locking practice was the order of the day at Sutton Harbour. More events are planned in the coming months.
